

**2007 – 2008**  
**MICHIGAN ASSOCIATION OF CONTINUING  
EDUCATION AND TRAINING**  
**For Community College Administrators**

**Vision:**

*MACET positively impacts the economy of Michigan as a leader and integral partner in the State for economic and workforce development. We sustain the lifelong continuum of learning through strong relationships and communication, a relevant infrastructure, and professional development for our members.*

**Mission:**

*The mission of the Michigan Association of Continuing Education & Training is to lead the transformation and integration of workforce development, economic development, continuing education, and community services in Michigan.*

**Goals:**

**Goal #1- Relationships:**

Improve both internal and external relationships through focused efforts on communication and collaboration.

**Goal #2 - Infrastructure:**

Review and update the MACET infrastructure to address the emerging needs and solutions for the organization.

**Goal #3 – Communication:**

Provide internal and external communication tools and processes which keep our membership informed of relevant trends, activities, and membership information.

**Goal #4 – Professional Development:**

Provide professional development opportunities to our membership that aid in the attainment of our group and individual missions
